NOVATECH

Innovation Club

WHERE IDEAS FIND THEIR FIRST HOME

ABOUT THE CLUB

The NovaTech Innovation Club is where students come before they have everything figured out. We're a warm, driven community of early - stage thinkers - people with big questions, half-formed ideas, and the ambition to do something about them. We provide structure, peers, and a safe space to explore what's possible.

OUR ECOSYSTEM

Innovation club

Community, events, peer learning, and early idea exploration.
This is where the journey begins.

Innovation Lab

Structured diagnostics, growth strategy, and hands-on execution support for ventures ready to build.

Learning wing

Curated courses, toolkits, and frameworks to build the skills every founder needs - at your own pace

Build the FUTURE Right now

Why NovaTech exists ?

Most students wait.
We dont.

WHAT WE DO

01
Ideation Sessions

Structured workshops that take raw, messy thoughts and turn them into validated, testable concepts. No idea is too early.

02
Peer Learning

Regular knowledge-sharing circles, guest sessions, and founder stories that give you context no classroom can offer.

03
Hackathons & Challenges

Competitive events that sharpen your thinking, build your portfolio, and connect you with peers who push you forward.

04
Mentorship Access

Direct connections to NovaTech's network of advisors, alumni, and industry partners — from your first idea to your first pitch.

MEET OUR TEAM

Nanda Kishiore

CEO & Fouder

Leads vision, Strategy, and overall direction of NovaTech
